

Dear Parents and Carers,

## Welcome Video

I am writing to let you know about the next step in our virtual transition process. Mr Heeley, Headteacher, would like to welcome you to the school himself in his “Welcome to Year 6” video. The link is below and can also be found directly from the website along with all other transition information which has been shared to date. Please encourage your child to watch the video, and even better, please watch it together.

## Moving to Whitby High School – Questions and Answers

I am also inviting parents/carers and children to submit questions to us so that we can prepare a Question and Answer sheet and put it on our website for you all to read. There is still a lot of information that we will share with you over the coming weeks about uniform, start dates, etc, but now is an opportunity to ask any burning questions you have about School Life. Questions can be emailed to Mr Bensley by 16th June at [mbensley@whitbyhs.cheshire.sch.uk](mailto:mbensley@whitbyhs.cheshire.sch.uk) with the subject heading Y6 Questions. Mr Bensley will collate these questions, our staff will provide answers and all will be published on the website in a couple of weeks. Your name won't appear on the website, just your question with our answer. Please note that this is not a forum for questions of a personal nature – individual private matters will be dealt with separately.

I hope you enjoy the Welcome Video and we look forward to receiving your questions.
