SCIENCE TECHNICIAN

**Grade 5, 31.25 hours per week,
38 weeks per year (term time only)
Salary £12,563 - £14,557 per annum**

The Whitby High School is a highly successful 11-18 foundation school with 1500 students on role including a thriving sixth form. This popular, over subscribed school places the achievement of all learners as priority and as a result academic standards are high, improving year on year.

Governors wish to appoint an enthusiastic and highly motivated Science Technician to provide a practical, daily technical service to members of the teaching staff in the science department through the preparation and provision of equipment, apparatus and chemicals to enable students to carry out laboratory experiments.

This post is initially for one year subject to review. The successful candidate is expected to be confident in having sufficient knowledge to support teaching staff at an appropriate level. We are looking for someone who is able to demonstrate excellent classroom practice in a supportive role as an outstanding practitioner.

Training will be available if required. Applicants must have experience of an educational setting and have achieved a good level of education with GCSE English, Maths and Science or equivalent.

Closing date for the post: Friday 29th September 2017

Full details about the school and the above posts are available on the school website.

Our school community places the highest priority on keeping our children safe. Applicants for all posts will be subject to stringent vetting and induction processes.

The Whitby High School is an equal opportunities employer.
