## TEACHING ASSISTANT SUBJECT LEAD FOR SCIENCE

**Grade 6, 30 hours per week,  
39 weeks per year (term time plus inset days)  
Salary £14,026 - £16,137 per annum**

The Whitby High School is a highly successful 11-18 foundation school with 1500 students on role including a thriving sixth form. This popular, over subscribed school places the achievement of all learners as priority and as a result academic standards are high, improving year on year.

Governors wish to appoint an enthusiastic and highly motivated Teaching Assistant Subject Area Lead to supervise a small group of Teaching Assistants in the Science department. The successful candidate will liaise with the Senior Curriculum Leader of Science to ensure the most efficient use of resources and deployment of staff. Duties involve supporting groups of students or 1:1 with students with recognised special educational needs, in a classroom setting under the direction of the teacher and delivering personal intervention programmes. This post is initially for one year subject to review. The successful candidate is expected to be confident in having sufficient knowledge to move students forward with their learning at an appropriate level. We are looking for someone who is able to demonstrate excellent classroom practice in a supportive role as an outstanding practitioner. This post would be suitable for a science graduate or someone with an interest in a career in science. Proficiency in the use of ICT to support learning and the ability to use a wide range of teaching strategies to meet the needs of all students is essential. Experience of working with students with ASC and ADHD would be an advantage. Training will be available if required. Applicants must have experience of an educational setting and have achieved a minimum of NVQ Level 3, or equivalent along with GCSE English and Maths or equivalent.

Closing date for the posts: Friday 15<sup>th</sup> September 2017.

Full details about the school and the above posts are available on the school website.

*Our school community places the highest priority on keeping our children safe. Applicants for all posts will be subject to stringent vetting and induction processes.*
